

# Sixfoot track marathon 2024 newsletter #1

Welcome to the first newsletter for the 2024 race. In this newsletter we have a message from the Race Director and key details regarding the entry process for 2024.

## Race Director Message

Dear All

It is my pleasure to welcome all runners, volunteers, partners and spectators to the 2024 edition of Six Foot Track Marathon. 2024 is the 40th Birthday of Six Foot Track Marathon (37th year of actual running the race with 3 years cancelled due to weather conditions). It has been an amazing journey for all people involved in the Six Foot Track Marathon.

Six Foot Track Marathon always brings runners and volunteers together for an incredible running experience over the most amazing trails in the Blue Mountains NSW. We will continue to make Six Foot Track Marathon experience our utmost priority and focus.

This time of the year is always exciting for the Race Committee as we start the planning and preparation for race day. We have already started discussion with our partners and already submitted race approval applications to all different local government departments.

Six Foot Track Marathon race day will be on Saturday the 9th March 2024. The course will be the same as the 2023 Six Foot Track Marathon and will finish at Jenolan Caves Cottages. As you know 2023 race was the first time we ran over this new course and we have additional plans based upon the experience and runner feedback from last year to make the experience for runners, volunteers and spectators even better.

I wish you all the best in your entry, preparation and reuniting with other running friends to have a lasting memory on Six Foot Track Marathon race day.

I look forward to seeing you all on race day if you are running or as a volunteer, for the best day on the running calendar.

Enjoy  
Mohammed Alkhub  
Race Director
